HALLOWEEN BINGO CALL CARDS

HALLOWEEN BINGO CALL CARDS

HOW TO PLAY

What You'll Need:

- Printed bingo cards (one per player)
- Printed calling cards (cut into individual pieces)
- A bowl or bag to draw the calling cards from
- Markers, coins, candy corn, or crayons to mark spaces on the cards

Setup:

1. Give each player one bingo card and a handful of markers (or candy corn for a fun twist).
2. Cut apart the calling cards and place them into a bowl or bag.

How to Play:

1. The caller draws one card at a time and announces the picture (e.g., "pumpkin!").
2. Players look for the matching picture on their bingo card and cover it if they have it.
3. Keep playing until someone gets five in a row—horizontally, vertically, or diagonally.
4. The first player to shout "Bingo!" wins a prize.

Extra Fun Variations:

- Blackout: Play until someone covers their entire card.
- Corners Only: First to cover all four corners wins.
- Candy Rewards: Use wrapped candy as markers and let players eat them after the game.
